Aesthetic Plastic Surgery

Hello,

If you were following the elections last week, you may know that Senator Sam Brownback and I were elected as the next Governor and Lieutenant Governor of the State of Kansas.

As a patient of mine, I wanted to let you know personally that I will continue to be your doctor as I have for years. I also want to assure you that my medical practice will continue to serve patients, and I will remain your surgeon during my entire term as Lieutenant Governor.

Clearly, the service we provide to our patients at Plastic Surgical Arts is a team effort, and Delpha, Liz, Jackie, and I will be here, as always, to answer any questions.

Personally, I remain fully dedicated to providing the same excellent health care you have always received. I see this as a tremendous opportunity to serve all Kansans and to use my medical and legislative experience to serve as a voice for all patients.

Thank you very much, and I look forward to remaining your doctor and serving as your Lieutenant Governor.

Sincerely,
Dr. Jeff Colyer
